Discover the MOST COLORFUL Chocolate

Ritter Sport is more than just a chocolate—it's a bite-sized celebration of quality, creativity, and German craftsmanship. Founded in 1912 by Alfred Ritter and Clara Ritter in Stuttgart, Germany, the brand has become world-renowned for its signature square shape and vibrant packaging. Each bar is crafted with carefully selected ingredients, from sustainably sourced cocoa to crunchy nuts, creamy fillings, and rich, smooth chocolate that melts perfectly with every bite.

What sets Ritter Sport apart is its commitment to doing things differently. The square shape wasn't just a clever design—it was invented so chocolate could fit neatly into a sport jacket pocket without breaking, combining convenience with clever innovation. Today, Ritter Sport continues to blend tradition with bold flavors, offering a wide variety of classic and adventurous options—from Alpine Milk Chocolate to Cornflakes, Marzipan, and even vegan and nut-free selections.

Sustainability is at the heart of Ritter Sport's mission. As one of the first major chocolate brands to make the switch to 100% certified sustainable cocoa, they're dedicated to fair farming practices and environmental responsibility. So when you choose Ritter Sport, you're not only treating yourself to a delicious chocolate experience—you're also supporting a brand that believes in fairness, flavor, and doing chocolate right.
